PROSPECTUS/2026

JUNE 24-26, 2026 | MILLS HOUSE | CHARLESTON, S.C.

CHARLESTON
SOUTH CAROLINA

JUNE 24-26, 2026

Join us

Healthcare Design Forum 2026 will take place June 24–26, 2026, at the historic Mills House in Charleston, S.C. This exclusive, invitation-only event convenes senior healthcare design decision-makers for candid, high-level conversations on the future of the U.S. healthcare system and the role design will play in its evolution. Sponsors benefit from meaningful, relationship-driven engagement through curated networking, intimate group experiences, and dedicated one-on-one time with influential peers and industry leaders—creating an ideal environment to build trust, spark collaboration, and elevate brand presence.

Sponsorship

Unrivaled value and opportunity

HCD Forum offers outstanding opportunities to build and enhance relationships among the nation's leading healthcare providers and healthcare A/E/C firms. Event size is limited to maximize your ability to make meaningful connections.

- **Knowledge you can use.** In this relaxed environment, discussions are open and barriers are down. You'll learn more about what's impacting and driving this industry than you can at trade shows or on sales calls.
- **Sponsors in the spotlight.** Via signage, introductions, logos in promotional and printed material, and the attendee contact list, your company will be highly visible and recognized in multiple ways.
- **Specialized seating.** You'll work with our team to identify the attendees you most want to meet, and we'll create table arrangements that achieve your relationship-building goals.

ATTENDEE FEEDBACK

“Great networking and real relationship development in a well-organized setting.”

SPONSOR FEEDBACK

“This is the best event we have the opportunity to participate in.”

SPONSOR FEEDBACK

“The networking alone made this event incredibly valuable.”

ATTENDEE FEEDBACK

“The quality of attendees is what truly sets this Forum apart.”
